The 4th Annual Harvest Moon Festival is set for Saturday October 1st, 2016. Over 3000 people attended last year's event. Harvest Moon 4 will kick off with our campgrounds opening up for the weekend beginning Friday the 30th. To enhance the tasting event we have made changes from our previous festivals.

The kid's events will be at the Walker Area Community Center on Saturday morning along with a pickle ball tournament. We will be moving the artist/crafter booths outside to expand the tasting area. The tasting will be the first event in the main room of the MDJ Saloon to allow plenty of time for booth setup. The winners of the best division of brewery/winery/distillery will be announced to entire audience later that evening.

The adult only festival opens a 2:00 p.m. and we will again have a number of events such as artists and crafters, roaming entertainers, Traveling Art pub, Redneck Olympics, etc., plus great bands in the MDJ Saloon that night. The tasting will run from 5:00 until 7:30. We will have attendee judging as part of the tasting. Topping off the festival Moondance Events will feature three bands in the MDJ Saloon Saturday evening, Kellogg Duo, Timmy Haus and The Fabulous Armadillos.
